Dear Paolo,

**SAFETY ASSESSMENT FOR
"QUICK" WATER HEATER, MODEL: B3 80 & MODIFICATIONS**

I am pleased to advise that a safety evaluation has been completed for the above article. I hereby enclose the electrical safety certificate issued by SAA Approvals Pty Ltd for your review.

The requirements of the legislation are to mark the Regulatory Compliance Mark (RCM) as a means of identifying compliance with applicable regulatory requirements. Please note that the RCM symbol must be permanently marked on the stock that will be offered for sale and the Australian "Responsible Supplier" will be requiring this marking to appear on the products they register for sale.

If you have provided samples for assessment, then please make arrangements for their collection. After 14 days if the items have not been collected then QEC Global may dispose of the items in a manner they consider appropriate. Please note that after examination and testing, the product will not be operational and may be in an unsafe condition.

Should you require any further information or if I can assist you in any way, please feel free to contact me and I thank you for entrusting this matter to QEC Global.

Yours Sincerely,

Dave Scott
Senior Compliance Officer

Dear Sir

**Certificate of Approval – SAA-160756-EA
Storage Water Heater
Model No.: B3 80**

We are pleased to advise that your application for certification of the above electrical product has been successful.

Please ensure that you keep the enclosed Certificate in a safe place as it is your product approval record.

The approved product must now be marked with the SAA Number SAA-160756-EA or may be marked with the Regulatory Compliance Mark (RCM). The RCM must be used in accordance with the conditions set out in the relevant parts of AS/NZS 4417.

Please note that if the electrical product is modified in any way or your company details change you are required to notify this office of the details of the modification. You can either download the required form from our web page or contact our office.

As part of our operational guidelines we are required to check that a certified product remains compliant during the term of the Certificate. At some stage during this term we may request a sample for evaluation.

If you need any further information or need to discuss this letter please don't hesitate to contact our office.

Yours sincerely

A handwritten signature in black ink, appearing to be 'JH'.
